

## Hep Call: talking about treatment

Friday, 23 January 2009

Last Updated Friday, 23 January 2009

HCQ is trialling Hep Call, a free and confidential phone-based support service in Qld where you can talk to a range of volunteers across Queensland who have been through treatment for hep C. Interested in finding out more? Phone the Info-Line and ask to speak to someone about Hep Call. 07 3236 0612 (Brisbane callers) 1800 648 491 (Regional/rural) Check out this brochure for more info:
